Dear Ms.Sharon and Ms. Tiffany,

I just wanted to tell you both thank you so much for your tireless efforts and work that you do with Melanie and with all the children! I was just about in tears when you told me that she was starting to verbally spell her name! And we did it quite a bit more today too (of course, she needs a little prompting! Lol!)!!!! Mel is so independent with things, and she's doing them "her way or the highway".....but every day that she's with you guys, she is making such incredible strides! Things are really starting to "click", and we have you both to thank for it!!

Thank you so much for your unwavering efforts, kindness and love towards Melanie and our whole family!! We love you guys!!!!
