

To the staff of Everything Grows,

There are no words to describe the immense gratitude that we have for the care, guidance, and love that you have given to our boys over the last 7 years. You have helped us to raise them. You have not only been their caregivers, but their friends, playmates, and most importantly their teachers. We have never had to worry or had a doubt that we were leaving them in the care of people who would always nurture + love them and keep them safe. It is so hard to believe that our time with you has ended, that we are making our last drop off after coming to you every day for 7 years. Please know that we think you are amazing individuals and will miss you all very much. You will always hold a very special place in our hearts. Thank you so much for everything!

Love,

The Grassi's
