

Dear Ms. Eva and Mr. Will,  
Ms. Joy and Ms. Lydia,  
and All the Staff at Everything Grows,

Everything Grows is a natural truth  
And look at me, I'm living proof

You've helped me learn to use the potty  
And taught me ways to avoid being naughty

Like using my words to express my needs  
Your teachings and lessons are like little seeds

Everything Grows is my second home  
A place to have fun, discover, and roam

I learned to feel safe without Mom and Dad  
I enjoy my whole day without feeling sad

Two years ago, I had my first day  
Baby Bilal "BB" Fatouh

Now here I am on Graduation Day  
Big Bilal "BB" Fatouh

Thank you all for helping me grow!
