Everything Grows
Florida, NY

Re: Kira Iovine

Ms. Meghan,

This is to notify you that Kira's last day at Everything Grows will be on August 31, 2010. I wish she could stay with all of the wonderful people here at Everything Grows but she has to go to Kindergarten on Sept 2, 2010.

I can't thank you enough for how well you took care of my precious daughter, Kira. I felt so comfortable and never had one doubt of my daughter's safety. I enjoyed every day dropping Kira off knowing she is in great hands. Ms. Joy, Ms. Lydia and Ms. Amanda have encouraged her and taught her over the year that will enable her to walk into Kindergarten knowing all that she should know and more. Kira has enjoyed it as well, by her daily report where almost all of the time, it shows her mood as being "happy".

You are a wonderful person and director to a fantastic preschool. Everything Grows with love and you bring that out of your employees. The school runs so smoothly even with the unpredictability of the children in your care. The patience you all have is unprecedented.

Hopefully this is not goodbye, as I plan to sign Kira up for the summer camp program, which you offer.

Thank you to you and your brilliant staff for taking care of Kira. You all will be greatly missed.

Fondly,

Kathlin Iovine
