o The Entire Staff at Everything Grows:

I am writing to thank all of you for the caring and nurturing environment you have provided to Raffaella since she was 2 (now starting kindergarten)!

The bonds she established with her friends were only matched by the bonds she established with Miss Eva, Mr. Will, Miss Joy and Miss Lydia (and Miss Meghan too!)

She started each day with a hug and left me ~~to~~ knowing she'd be cared for. As a parent who is extremely cautious about my children, I would wholeheartedly and without reservation highly recommend Everything Grows to any parent looking for quality childcare.

Thank you again and we'll be visiting!

Sincerely
Marie Condoluci (Raffie's
mom)
